Mission Statement

We recognise diversity and foster the overall development of each child as an individual within the group context and wider social environment.

Hours of operation

The children attend the preschool from 8.00am-3.30pm

Sessions offered

Monday – Wednesday

Thursday & Friday

School holidays

The NSW Department of School Education calendar is followed and the preschool is closed during school holidays.

Priority of access

Children are eligible to attend from 3 years of age. However, priority is given to children in their year before school (with priority going to those closest to school entry).

Children with additional needs are given enrolment priority and their inclusion is assisted and supported by a specialist educator.

Waiting List

A child can be placed on the waiting list from 2 years of age. There is no charge for a waitlist application.

Educational Program

Our program is based on the Early Years Learning Framework. We aim to support children to achieve learning and developmental outcomes relating to their identity, connection with community, their wellbeing and confidence as learners.

We support the children to achieve their potential through a play-based program that recognises the uniqueness of each child.

Small and large group learning experiences are organised throughout the day to assist the children to gain a range of new skills, knowledge and a positive disposition towards learning.

A qualified music teacher offers an intensive pre instrumental music program three days per week.
