

WAVERLEY COLLEGE

Relief Teacher

Full Time role for Terms 3 and 4

This is a rather unique role. The quality of the teaching experience we offer to our boys is at the heart of everything we do, and so Waverley College wants to move away from engaging different casual teachers to come and fill in here and there. Instead, we would like to use the same teachers every week to fill our vacancies caused by teachers leave, excursions, and other daily occurrences. This way, the relief teachers get to really develop an ongoing relationship with the students, have a better feel and understanding for our school, and also feel engaged and part of our school community. This is a great opportunity for someone early in their teaching career, such as a Graduate Teacher, as they can experience all subjects and classes across our school, or a chance for an experienced teacher to work a little differently. Experience teaching English would be very favourable.

Applicants must be experienced, innovative practitioners, have demonstrable ICT skills, and be supportive of the Catholic ethos of the community. Waverley College is a Catholic school in the Edmund Rice tradition.
