## Science Laboratory Technician

### Permanent Full Time and Part Time roles

Waverley College invites applications to join us as a Science Laboratory Technician from the start of the 2022 school year. The responsibilities of this position will be to assist with the preparation and delivery of equipment and materials for the Science Learning Area, maintaining control of equipment and the laboratories in order to support the Science programs throughout the College in line with WHS standards and current legislation. Waverley College is a Catholic school in the Edmund Rice tradition.

This is an opportunity to join a school where your skills are valued, your creativity is nurtured, innovation is actively encouraged, and where staff are appreciated every day.

To be successful, you will need to hold a relevant diploma or degree qualification. Experience working within a school environment is preferred. Knowledge of the requirements for HSC Physics, Chemistry, Investigating Science and Biology would also be an advantage. A detailed role description is available on our website.

Applicants must be experienced, innovative practitioners, have demonstrable ICT skills, and be supportive of the Catholic ethos of the community. Please indicate in your application if you are applying for the full time or part time role. The full-time role will work mainly in term time only, with a few days to make up during the year. The part time role will work Monday and Thursday mainly in term time.

#### How to apply:

Applicants must have a **current working with children check and be fully vaccinated against Covid 19**. You should use the online **Support Staff Application Form** found on the College website: [waverley.nsw.edu.au/information/employment](http://waverley.nsw.edu.au/information/employment)

Telephone enquiries to **Leigh Yardy, 02 9369 0678**

**Closing date: Wednesday 19 January 2022**

All applicants will be subject to EREA and legislative screening procedures. These checks are consistent with EREA's commitment to child protection policies and procedures. Edmund Rice Education Australia is committed to ensuring the safety, wellbeing and dignity of all children and young people.
