## Science Laboratory Technician

### 2 days per week for Terms 2 & 3 2022

Waverley College invites applications to join us as a Science Laboratory Technician for 2 days a week. This vacancy has come about to cover Long Service Leave taken within the department. The preferred days to work will be Monday and Thursday term time only.

The responsibilities of this position will be to assist with the preparation and delivery of equipment and materials for the Science Learning Area, maintaining control of equipment and the laboratories in order to support the Science programs throughout the College in line with WHS standards and current legislation.

This is an opportunity to join a school where your skills are valued, your creativity is nurtured, innovation is actively encouraged, and where staff are appreciated every day.

To be successful, you will need to hold a relevant diploma or degree qualification. Experience working within a school environment is preferred. Knowledge of the requirements for HSC Physics, Chemistry, Investigating Science and Biology would also be an advantage. A detailed role description is available on our website.

Applicants must be experienced, innovative practitioners, have demonstrable ICT skills, and be supportive of the Catholic ethos of the community. Waverley College is a Catholic school in the Edmund Rice tradition.
