

Student Code of Conduct

Introduction

Waverley College recognises that effective learning can only occur in a secure environment where the rights and responsibilities of others are known and respected and where standards and rules are fairly and consistently applied.

This Student Code of Conduct has been developed to clearly set out standards of behaviour that students are expected to meet.

Managing the Code of Conduct is a shared responsibility between the student, parents/guardians and the College. All students and families have ready access to support offered by College teachers and staff.

Students are expected to uphold the values of Waverley College. Our values are:

- excellence – in your schoolwork, extra-curricular, sporting and other personal endeavours
- respect – for your teachers, parents/guardians, peers and members of the community
- courtesy – with everyone you interact with
- pride – in yourself, and the way you represent the College
- personal responsibility – for your actions
- integrity – honesty and candour in all of your dealings
- tolerance – for others, regardless of their background, age, gender, sexuality, religion or race
- inclusion – of all those who decide to come to Waverley College, and of those in the community.

These values are to be upheld in the way you conduct yourself not only in the College, but also the community
