

Waverley College Complaints Handling Guide

Waverley College welcomes feedback from all members of the College community and takes all complaints or concerns that may be raised seriously. This Complaints Handling Guide is designed to assist you to understand our complaints handling process.

What is a Complaint?

A complaint is an expression of dissatisfaction made to Waverley College, related to our services or operations, or the complaints handling process itself, where a response or resolution is explicitly or implicitly expected.

Informal Complaints Resolution

The vast majority of issues causing concern in schools can be handled quickly and in an informal manner. In most cases these issues can be resolved through informal discussions with appropriate staff members. Even if an issue is able to be resolved informally, all staff are required to log issues through our complaints management system so we are able to identify any systemic issues arising, and take appropriate rectification action.

How Do I Make a Formal Complaint?

If you have been unable to resolve a matter informally, or simply wish to make a formal complaint you can do so by any of the following means:

1. Sending an email to complaints@waverley.nsw.edu.au
2. Writing a letter to the College addressed to "The Complaints Manager".
3. Telephoning the College and asking to speak to the Deputy Head of Student & Staff Wellbeing, or the Complaints Manager

All formal complaints will be logged into our online complaints management system and managed in accordance with the following procedure.

Step 1 - All formal complaints are logged through our online complaints management system where they are screened by one of our Complaints Officers, the Complaints Manager, or, in the case of a complaint directly related to conduct by the Principal or Member of the School Board, the EREA Regional Director.

Step 2 – All valid complaints will be acknowledged in writing as soon as practicable, and in any event within 10 business days. They will be allocated a status, priority and target resolution date. It is our policy, where possible, to commence an initial investigation and make a preliminary determination within 10 business days of acknowledging the complaint.

Step 3 – The Complaints Officer shall conduct an investigation into the issues raised, following principles of procedural fairness, and make a determination.

Step 4 - Following the determination, if appropriate, the Complaints Officer shall formulate a

resolution and provide a written response to the complainant. The matter will be closed if this response is accepted.

Step 5 - If the initial response is not acceptable the matter will be reviewed internally by the Principal or the Principal's delegate, who may seek additional information or submissions from the relevant parties. The Principal or their delegate seek to resolve all disputes within 20 business days of the acknowledgement of the complaint. The matter will be closed if the response of the Principal, or their delegate, is accepted. Where appropriate, the matter may be escalated to the EREA Regional Director.

Step 6 - If the matter remains unresolved, the complainant may pursue external resolution alternatives.

Confidentiality

Confidentiality applies with respect to both information relating to the person making the complaint, and, if relevant, to a person against whom a complaint is made. The College is committed to maintaining the confidentiality of information throughout the complaints process. Personally identifiable information about a complainant will only be made available for the purpose of addressing the complaint and (unless the complainant consents) will be actively protected from disclosure.
