

Parents and caregivers,

At the end of the 2021 school year, the student laptops currently held in Year 8 will be at the end of lease. As per the iLearn agreement families now have the choice of the following two options:

Option A - **RETURN** the unit, no payment will be required. Devices should be returned damage free with no graffiti or stickers. Insurance forms will be issued for units that have damage and students will be asked to clean units if they have graffiti or stickers. The Charger must also be returned with the unit.

Option B - **PAY** the residual amount on the unit and take ownership of the device. The agreed residual amount is \$450. Payment must be made by the latest 15th October 2021, no payment will be accepted after this date and the laptop will need to be returned. Payment options are listed at the bottom of this page. (This option can only be selected if all school fees are up to date)

New Macbooks will be issued to students for the 2022 school year towards the end of Term 4 this year. Contracts and further details will be issued under a separate email for digital signing.

All Issued and returned laptop arrangements will be based on the current NSW health guidelines to ensure the safety of staff students and parents.

Please note the following important information regarding the CURRENT device.

- Only families that have no arrears owing on their school fees will be allowed to purchase the device.
- Once purchased and released, units can no longer be used at Waverley.
- Any residual warranty will be transferred once the unit is purchased.

To facilitate this process please go to the following link and nominate whether you wish to return the old device or purchase it. If you are purchasing payment must be made by Friday 15th

October, any payment made after this date will not be accepted and the laptop will need to be returned.
